

## Accommodation for Boys & Girls

### Hostel Facility

With an aim to provide residential facilities to the students, the university provides separate hostel for boys and girls. The affectionate, cooperative, warm and affable atmosphere for about 200 inmates is a place akin to home. It provides clean environment, nutritious food, airy and spacious rooms. The motherly care provided by hostel warden gives not only warm atmosphere to the students but also provides them security. A regular checkup of the students is done by the fortnight visit of the doctor. Apart from the good, hygienic and sumptuous food the hostel also provides recreational facility like indoor and outdoor games, T.V. etc. Special guidance in health through yoga and meditation keeps the students fit and strong. Hostel nights and various festivals are celebrated with zest on theme of dance, skits and songs.

### Library Facility & Reading Rooms

The library includes large number of books, national periodicals, event reports news journals etc. the library aims to facilitate production and dissemination of knowledge, information, insights and intellectual contribution in all areas of education among the academic and business community. The University's library has a Book Bank Scheme for both UG and PG students, in which a set of text books are loaned to the students for use, during the academic year.
